

Bears Summer Trip 2018

We have used Topflight for our trips for the last three years and it has worked out very satisfactorily. This year they are offering a very attractive package to the Dolomites which we are opting for.

Resort: Madonna di Campiglio (a winter ski resort). Google it.

Included: Return flights from Dublin

Return transfers to and from the hotel

7 Nights accommodation, half board, in the 4 star Superior Hotel Cristal Palace

Use of the hotel's Spa and Wellness centre

2 local guides for 5 days walking (different levels of fitness will be accommodated)

A free 6 day pass for the cable cars (worth up to €85)

20kg Baggage allowance

Cost: €889pp.

Date: Saturday 1st September

If you are interested please lodge €200 to the Bears account before the end of January. Let me know when you have done so. If you have any questions contact me and hopefully I will be able to answer them.

Note: Willie Cummins (Bear) has skied there and highly recommends the area.
